Press Release

The NRNA ICC has drawn its attention with the news published about the NRNA NCC Matters in UK. For clarity, the NRNA ICC Executive team has set up an independent commission on 18 October 2014 to investigate the dispute of NCC UK. We believe this is the best way of making sure that the investigation is conducted by a team of experts in fair and unbiased manner taking all evidences into account. The panel consists of three highly regarded and respected individuals and we have every confidence in the integrity of its work which will assist us on reaching to the appropriate decision.

Whilst the commission is undertaking its' investigation, we expect assistance and cooperation from all the parties involved for the best interests of NRNA and its stakeholders. Hence, until the commission completes its task and recommends its' findings to NRNA ICC and it makes a decision, the current NCC UK executive team led by Mr Yogen Chettri as the President remains NRNA ICC endorsed Executive Committee.

Please contact NRNA Secretariat on spokesperson1315@nrn.org.np for further details.
