

Global Youth Conference:

Youth Coordinator (Bijay Pokharel) & Deputy Youth Co-ordinator (Lokraj Sharma) recently visited Nepal in April 2016 for the first phase of conference preparation and planning.

- a) Meeting with different youth organizations and Business Youth Forums including NYEF, CNI & AYON. MOU to be signed soon to work as Co-partners for forthcoming Youth Conference and future social and investment projects.

- c) Task Force and Committee will be formed for the conference and also Youth Volunteers team will be formed to volunteer in different activities to be held in October. For further exposure to youths and if suggested by ICC/Reconstruction Task Force, then Youth Volunteers will be engaged in Laprak Village and other rebuilding task.
- d) In regards to Sports Activities during conference & NRNA day celebration– as per understanding with Nepal Olympic Committee and NRNA, Sports event will also be held during October in regular basis. This may also include Fundraising Charity Sports Event together with National Sports team, Entertainers, Media Persons, Government Representatives, NRNA & NRNA Youths. Details plan will be forwarded by 'Sports' Committee chair Narayan Gurung after in communication with the related bodies.

NCC Youth Forum:

- a) NCC Youth Forum has been already formed in Spain and will be formed in Netherland within few weeks. Moreover ICC needs to convey the suggestion through Regional and ICC Members to all NCC to start the forming process as soon as possible.
- b) NCC Youth Forum Co-coordinator will be NCC Youth Co-coordinator elected or nominated as per country. If there is any confusion in any NCC, which may delay the formation process, then ICC needs to advise the related NCC not to spend so much of time on amending NCC Constitution just to form the Youth Forum, which is un-necessary and time consuming and will not be effective. Making elected and nominated NCC Youth Coordinator; the Co-coordinator of Youth Forum will avoid any delays, difficulties and in-effectiveness of the forum.
- c) To expedite the process i would also like to suggest for the group or Task force formation. Further details will be provided by Mr Lokraj Sharma Jyu (Deputy Youth Coordinator). I would like to thank him for his creative ideas, time, effort, hard work and active involvements. I would also like to thank NRNA Woman Forum for your guidance and support.

Furthermore NRNA youths will be always active to participate & support NRNA Woman Forum and other committee, Task Force & Projects. We would like to thank other Committee, Projects, Task Force for including Youths and trusting us.
